

International Project Management Office Implementation & Transformation

Decades of Successful Services Deployment

Global Convergence Inc. (GCI) offers comprehensive multi-service/multi-national global implementation and network transformation service programs to ensure your success.

As your single point of contact from project planning, through implementation, GCI offers its customers an International Project Management Office (IPMO) to provide planning, oversight, monitoring and execution of simple-to-complex service events.

Qualified Project Managers, Decades of Experience

GCI's project managers are highly qualified, and GCI has extensive experience in successfully deploying large, global and geographically diverse networks.

Our Project Management Portal allows customers to drill down to view the status on any project, offering

customers total visibility 24x7.

Delivering in the Most Challenging Regions

No Borders. With technology solutions and the in-country resources to help fulfill your vision, GCI seamlessly delivers in any of the most difficult regions across the globe.

Our global HQ locations include 24x7x365 multi-lingual Network Operations Centers (NOC) and Managed Service Centers (MSC). With regional HQ locations in Sao Paulo, Brazil, Paris, France, Bucharest, Romania and Singapore, GCI has service delivery capability in 170+ countries.
